## WORK EXPERIENCE

---

### CLUJ-NAPOCA, ROMANIA

2015 - Present

### FREELANCE

Web Designer, Illustrator, Animator

I've recently restarted working as a freelancer, clearing up my schedule for projects I really enjoy and for personal development time in order to improve my design skills

### CLUJ-NAPOCA, ROMANIA

2013 - 2015

### PINTADO

Lead Web Designer & User Interface Designer

I've had responsibilities such as creating web designs and mobile applications interfaces, front-end development and the rebranding of the company.

During my stay at Pintado, I've begun learning Adobe After Effects, started animating illustrations and logos and have successfully completed small video editing projects.

I have gained a profound experience in self-management and project planning.

### CLUJ-NAPOCA, ROMANIA

2012 - 2013

### SOFTVISION

User Interface Designer

I've had responsibilities such as creating web designs and mobile applications interface designs.

---

### CLUJ-NAPOCA, ROMANIA

2009 - 2012

### ARTSOFT-CONSULT

Graphic Designer & Marketing Consultant

During my stay at ArtSoft-Consult, I have outsourced to Mascus.

I've started working for the multinational company, present in 53 countries, Mascus - Alma Media Oy back in late 2009 and since became the lead graphical designer there.

I've had responsibilities such as creating an updated, modern look for their online and offline presence, creating effective marketing materials and working directly with their partners.

During the time working for Mascus I've gained experience in communicating in an international environment, creating artwork adaptable to all languages the company uses, managing multiple tasks at once and meeting tight deadlines.
